Resolution unanimously carried at the Annual General Meeting of the FEDERATION OF SCREENWRITERS IN EUROPE (FSE)

Berlin, 12 October 2018

The member guilds of the Federation of Screenwriters in Europe will design and implement policies to combat bullying and harassment in order to ensure a safe working environment for screenwriters, and will ask for the support of national and regional Film Institutes or equivalent bodies to persuade producers and broadcasters to implement similar policies.

Member guilds are committed to support screenwriters who are the victims of such behaviour.
